**PRODUCT DESCRIPTION:** GUM AWAY SEMI-PASTE by NOOP'S COUP® is extremely user-friendly. As a liquid, it works its way beneath the gum, making it easier to remove it from both porous and smooth surfaces.

**RECOMMENDED APPLICATION:** Spray, pour, brush or roll on gum to be removed. When wet, use with the GUM WOBBLER SCORER/SCRAPER by NOOP'S COUP® (Patent Pending) to score gum and allow chemical to penetrate. Wait 1-2 minutes. Re-apply. Begin scraping to remove excess. Residue? Re-apply, and then use a brass brush or the GUM WOBBLER (PP) with the wire brush. Rub area until clean. Wash off with a spray bottle of water or high pressure water washer. (2000-3000 psi)

For very old, hard gum: Wet area with gum away. Apply GUM AWAY SEMI-PASTE to a cloth and put over gum. Wait 5-10 minutes. Score and follow instructions again.
